Ashland, KY 41102

Mu Alpha Theta, a National mathematics honor society, has served Ashland Paul G. Blazer High School for 3 consecutive years in raising funds to secure the annual Allison Joy McKnight scholarship. Unfortunately due to covid, fundraising was limited this year. In order to fulfil the scholarship needs, members of Mu Alpha Theta are hosting the 4th annual Pi Day 5K virtually.

From March 12th-14th, Mu Alpha Theta will hold the virtual Pi Day 5K. Registered participants will run anytime during those dates at their desired location. Upon completion of the 5K, participants will upload their time to tristateracer's website. Each participant will receive a t-shirt and finisher medal by mail.

However, we think that our efforts could go even further with a corporate sponsorship from your company. Your sponsorship would maximize the amount of money distributed to the scholarship fund by reducing the cost of hosting the event. Monies received will be used to purchase race t-shirts, finisher medals and shipping costs.

As a sponsor, in return you will receive promotion as a sponsor of the event. The race t-shirt will include your company's logo/name. Recognition of sponsorship will be made on tristateracer's website as well as any social media posts.

Thank you for your consideration in being a Pi Day 5K sponsor. We look forward to hearing from you soon. Attached you will find the sponsorship form to be completed and submitted by mail. If you have any questions, please call Heather Hundley at 606-923-6447 or email heatherdstout1@gmail.com.

Sincerely,

Heather Hundley
